<sup>\*</sup>In accordance with ISO/IEC 19798

frother strongly recommends the use of genuine Brother consumable roducts only. Benefits include better quality print, greater yields per onsumable, protection of your machine from damages and thiewement of optimum performance. As a precaution, please note hat your machine warranty may not cover any damages arising from he use of non-equine consumables.

## Printing Solutions to Boost Your Business

A successful print infrastructure delivers flexibility, reliability, affordability to positively enhance your productivity and efficiency.

Our new colour laser HL-L8260CDN lets you print with greater speed and assurance. It also offers lower costs thanks to super and ultra high-yield toners.

Backed by enhanced security, intelligent mobile connectivity and expandable paper trays, the HL-L8260CDN will satisfy your toughest office demands.

### Delivering Outstanding Performance and Peace of Mind

#### Delivering Reliability and Efficiency

Built with robust materials to withstand the most challenging office environments, Brother's new HL-L8260CDN is the perfect partner for your business.

#### Cutting the Cost of Colour Printing

Reduce total cost of ownership with ultra high-yield cartridges that allow up to 9,000 pages of printing.

#### Protect What Matters to Your Business

Get full control and protection of your print infrastructure with advanced security capabilities like Secure Function Lock 3.0 and Active Directory which authorises users and functions.

Monitor your print infrastructure remotely with BRAdmin Professional Software—from setting print quotas for each user to instant notifications of any printer downtime.

#### Personalised Solutions

Modify your HL-L8260CDN to your requirements with Brother Special Solutions Customisation (SSC). Supported by our field service engineers and business analysts, we collaborate with you to design the best solution to meet your business challenges.

#### Advanced Paper Handling

The HL-L8260CDN grows to meet your growing business and new requirements. Expand your paper input by adding optional paper trays that hold up to either 250 or 500 sheets each. Conveniently feed thicker or odd-sized paper from the multi-purpose tray for special print jobs.

#### Mobility & Flexibility

Wirelessly print from any device with Brother iPrint&Scan, Apple's AirPrint $^{\text{TM}}$ , Mopria $^{\text{TM}}$  and Google Cloud Print™.

#### Supplies and Accessories

HL-L8260CDN
