

Beyond **Expectation**

Match Color Required

Up to 26ppm

Security **Functions**

Wireless Connectivity

Mobile Printing & Scanning

Daily documents expressed in incredible hues. Present printouts with vivid accuracy in full detail through Brother's new series of single and multi-functional laser printers. Designed for the modern office and its workflow, each model in the line-up is crafted with rich utilities and productivity functions that enhance daily operations. Experience colour that is true to life, just as your vision sees it.

Colours That **Go Beyond**

01

True to Life

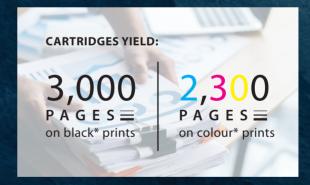

Professional printouts that are vibrantly accurate. Utilising Brother's leading LED technology, colours produced by the MFC-L3760CDW are crisp and sharp, with gradients being smooth and natural. Reduce the guesswork and excessive reprints as documents produced are as accurate as how you calibrate them on screen.

02

Meet High Volume Printing Needs

Print so much more at a fraction of the cost for greater value overall. With Brother's High Yield Toners, the new MFC-L3760CDW offers incredibly efficient print usage rates that reduce the need for frequent replacements. Print costs are averaged out over a longer period of time as well, keeping Total Cost of Ownership (TCO) low.

* Approximate cartridge yield is declared in accordance with ISO/IEC 19798.

03

Fast Prints on Demand

Speed when you need it. Both colour and monochromatic documents print at impressive output speeds on various supported types of media, such as up to 26ppm for A4. Have documents ready in hand on time, as productivity is improved thanks to less time spent waiting.

Small & Silent

٥4

QuietOperations

Print documents quietly with Quiet Mode. Ready Mode can also be used to ensure that it runs silently on while standby.

05

Compact-Sized for Flexibility

The Multi-Function Centre can be integrated into workflows with ease and flexibility due to its compact size, helping you to improve productivity in any workspace.

Cost & Resource Saving Prints

Auto 2-sided Printing

06

Up 50% Less Paper To Waste

Up to 50% less paper waste is created while creating documents thanks to automatic 2-sided printing, saving costs in the long run.

Secure Your Documents With Fuss-Free Connectivity

07

Enhanced SharingAccessibility

Built-in Wi-Fi and Wireless LAN (2.4GHz/5GHz) as standard on the MFC-L3760CDW allow for effortless usage sharing of your machine over the same network.

08

Connectivity for Convenience

Print and scan your documents from and to mobile devices with ease by using the Brother Mobile Connect application*. Applications like Brother Cloud Apps* and WebConnect* also assist in providing seamless scanning and printing jobs.

* The printer and the application must be on the same network to function properly.

09

Secure Your Important Documents

The Secure Print function ensures documents are not copied or read by unauthorised users without the required four-digit PIN. Unretrieved documents are automatically deleted, saving costs in an environmentally friendly way.

	NEC LZZZOCDU
	MFC-L3760CDW
Key Functions	Print, Scan, Copy and Fax
Description	High productivity Colour LED Multi-Function Centre with Wireless Connectivity, Gigabit Ethernet Connectivity and 2-Sided Printing
Print Speed (A4/Letter)	Up to 26/27 ppm
Print Resolution	600×600 dpi, 2,400 dpi (600×2 ,400) quality
First Print Out Time (Ready)	Less than 13.5/13.5 secs (Mono/Colour)
2-Sided Feature	Automatic 2-Sided Printing
COPY FUNCTIONS	
Copy Speed (A4/Letter)	Up to 26/27 cpm
Copy Resolution	600 x 600 dpi
Reduction / Enlargement Ratio	25% - 400% in 1% increments
Copy Features	N in 1
SCAN FUNCTION	
Scan Speed (Mono/Colour) ^I	27/21 ipm (A4) 29/22 ipm (LTR)
Scan Technology	CIS
Resolution (Optical)	Max 1,200 x 1,200 dpi
Resolution (Interpolated)	Max. 19,200 x 19,200 dpi
Scan To Functions	Sharepoint, E-mail, Image, OCR, File, FTP, Network (Windows only), USB
FAX FUNCTION	
Modem Speed	33,600bps (Fax)
Transmission Speed	Approx. 2.5sec. (ITU-T Test Chart, Standard Resolution, JBIG)
Memory Transmission/Out-of-paper Reception	Up to 500 pages (ITU-T Test Chart, Standard Resolution, JBIG)
Speed Dial	300 locations
Group Dial	20 groups
Broadcasting	250 locations
CONNECTIVITY/NETWORKING	
Interface	USB 2.0, Gigabit Ethernet (10Base-T/100Base-TX/1000Base-T), Wi-Fi Direct, Wireless Lan (2.4GHz/5.0GHz)
Front USB Direct Print	Yes
Front USB Direct Print Mobile Solutions	Yes AirPrint, Mopria and Mobile Connect App

Brother strongly recommends the use of genuine Brother consumable products only. Benefits include better quality print, greater yields per consumable, protection of your machine from damages and achievement of optimum performance. As a precaution, please note that your machine warranty may not cover any damages arising from the use of non-genuine consumables.
