Daily documents expressed in incredible hues. Present printouts with vivid accuracy in full detail through Brother's new series of single and multi-functional laser printers. Designed for the modern office and its workflow, each model in the line-up is crafted with rich utilities and productivity functions that enhance daily operations. Experience colour that is true to life, just as your vision sees it.

## **Colours** That **Go Beyond**

01

#### True to Life

Professional printouts that are vibrantly accurate. Utilising Brother's leading LED technology, colours produced by the MFC-L8340CDW are crisp and sharp, with gradients being smooth and natural. Reduce the guesswork and excessive reprints as documents produced are as accurate as how you calibrate them on screen.

02

#### Meet High Volume Printing Needs

Print so much more at a fraction of the cost for greater value overall. With Brother's High Yield Toners, the new MFC-L8340CDW offers incredibly efficient print usage rates that reduce the need for frequent replacements. Print costs are averaged out over a longer period of time as well, keeping Total Cost of Ownership (TCO) low.

\* Approximate cartridge yield is declared in accordance with ISO/IEC 19798.

03

#### Fast Prints on Demand

Speed when you need it. Both colour and monochromatic documents print at impressive output speeds on various supported types of media, such as up to 30ppm for A4. Have documents ready in hand on time, as productivity is improved thanks to less time spent waiting.

#### **Small & Silent**

٥4

## **Quiet**Operations

Print documents quietly with Quiet Mode. Ready Mode can also be used to ensure that it runs silently on while standby.

05

### Compact-Sized for Flexibility

The Multi-Function Centre can be integrated into workflows with ease and flexibility due to its compact size, helping you to improve productivity in any workspace.

# Cost & Resource Saving Prints

Auto 2-sided Printing

06

#### Up 50% Less Paper To Waste

Up to 50% less paper waste is created while creating documents thanks to automatic 2-sided printing, saving costs in the long run.

## Secure Your Documents With Fuss-Free Connectivity

07

## **Enhanced Sharing**Accessibility

Built-in Wi-Fi and Wireless LAN (2.4GHz/5GHz) as standard on the MFC-L8340CDW allow for effortless usage sharing of your machine over the same network.

08

#### **Connectivity** for Convenience

Print and scan your documents from and to mobile devices with ease by using the Brother Mobile Connect application\*. Applications like Brother Cloud Apps\* and WebConnect\* also assist in providing seamless scanning and printing jobs.

\* The printer and the application must be on the same network to function properly.

09

### Secure Your Important Documents

The Secure Print function ensures documents are not copied or read by unauthorised users without the required four-digit PIN. Unretrieved documents are automatically deleted, saving costs in an environmentally friendly way.
